Every Shot Hits a Target. New York, Sept. 8.—The mighty morture of Fort Totlen, which guard the Long Island Sound approach to New York city, were given a severe efficiency test during the night, with the result that each of the twenty shots fired at searchlight targets hi their mark. The mins are of 12-inch; caliber and 1,000-pound projectile were used. Col. Adelhert Cronkhite commanding this important artiflety and, declared that it was one of the mest target achievements in the his lory of morter work in this part of the country, and the way in which the shells swept the Bound prove beyond all doubt that an enemy who tried to got into New York by the Fort Tottes route would receive welcome of devastating fire.

Precing Congress Meets. Washington, Sept. 8.—Hendquar-ers were opened here last night for he third international congress of efrigeration, to be held at the Na lonal Museum the week of Septemmr 15 with nearly 500 delegates, repquenting 45 countries, attending. Sec retury Houston of the department of agriculture is honorary president of the congress.

PEARL HARBOR DRY DOCK NOT TOTAL LOSS

(By Leased Wire to Evening Herald.) Washington, Sept. 8.—The big navy dry dock at Pearl Harbor, Hawah which recently collapsed after the government had spent several million dellars in its construction, can be saved and finished, according to the original design, in the opinion of Alfred Noble, an engineering expert who was sent to inspect it. Mr. Noble conferred today with Secretary Daniels and later will submit a detailed report with plans for the completion of the work.

Big Receipts of Cattle. Kansas City, Sept. 6 .- The Kansas ty stockyards this week came withn 238 head of shattering a world's last entries read: attle receipt record made 22 years Continued dry weather and lack of pasture sent 95.286 cuttle to the local market during the week. The it was only an illusion. It is terrible world's record was made at the Chiago yards September 19, 1851.

Pruritis a Severe Form of Eczema

A Method of Home Treatment that is Very Effective.

There is probably no other remedy to well known as S. S. S. for the blood and for this reason it is the one remedy invariably called for in treating here are many people who do not inpersuaded to try something class "just in good," we they are told. If your blood is thin, if your skin is teritated with examin, liquid, tetter, peorinais, or any other blood humber if you are troubled with pimples or both, do not permit yourself to be talked into buying something else, but insist upon 1.2. It is results a remarkable your R. R. H in really a remarkable rem oy. It contains one ingredient, the ictive purpose of which is to slimulate the itempes to the healthy selection of tis own essential nutriment. And the placed purifier are just as essential to elements of the meats, grains, fats and ing officers. The highest place, that are brought out in a highly interest of general secretary, went to A. P.
